

Client User Guide

Suralink Tutorial

Welcome!

Welcome to the Suralink platform. This tutorial will help you become familiar with the platform's layout and functionality from the perspective of a Client User.

If you have any questions at all, please don't hesitate to reach out to us at support@suralink.com

Getting Started

Logging into Suralink

01. Logging in to Suralink

The first step in using the platform is logging in with your unique credentials. You should have received an email invitation to create your password and access your account.

To log in to your account:

1. Navigate to your firm's Suralink login page.
2. Enter your email address and password.
3. Click "Sign In".

Troubleshooting

- Forgot your password? Click the [Forgot your password?](#) Link on the login page to reset it.
- Didn't receive an invitation? Check your spam or junk folder. If you still cannot find it, please contact your accounting firm directly to have it resent.
- Trouble logging in? [Contact Suralink Support at support@suralink.com](#) or use the Live Chat option on the sign in page.

Clients Page

The Clients page lists engagements and reports you have access to as well as client organizations you are a part of.

01. Page Layout

- Engagements tab** - Hover over this tab to quickly access an engagement.
- Switch Client Organizations** - If belong to multiple client organizations, you can click on the drop down menu to select the appropriate client.
- Engagement and Report list** - This lists all engagements and reports you have access to. You can click on an engagement or report name to get to the request
- My Team and Firm Team** - All clients users that have been invited will be listed under "My Team" and all firm users will be listed under the Firm Team.
- Footer** - Here you'll find links to resources and support. This is also where you can find the My Account page and the Logout button.

The screenshot shows the Suralink dashboard interface. At the top is a dark blue header with the Suralink logo on the left and navigation tabs for 'Clients' and 'Engagements 3' on the right. Below the header is a client selection dropdown menu showing 'DB CPA's' and 'Client ABC'. The main content area is divided into three sections: 'Active engagements (1)', 'Archived engagements (1)', and 'Reports (1)'. The 'Active engagements' section contains a table with columns for Engagement ID, Engagement name, a progress bar, and various status icons. The 'Archived engagements' section contains a similar table. The 'Reports' section contains a table with columns for Name, Published, File name, and Last accessed. Below these sections is a 'My team' section with two sub-sections: 'Active client users' and 'Assigned team members'. The 'Active client users' section lists 'CA Client' with a profile icon and email address. The 'Assigned team members' section lists 'Staff Test' with a profile icon and email address. At the bottom of the dashboard is a footer with links for 'Live Support', 'Tutorials', 'Knowledge Base', 'Feedback', 'Legal', 'My Account', and 'Logout'.

a. Engagements tab - Hover over this tab to quickly access an engagement.

b. Switch Client Organizations - If belong to multiple client organizations, you can click on the drop down menu to select the appropriate client.

c. Engagement and Report list - This lists all engagements and reports you have access to. You can click on an engagement or report name to get to the request

d. My Team and Firm Team - All clients users that have been invited will be listed under "My Team" and all firm users will be listed under the Firm Team.

e. Footer - Here you'll find links to resources and support. This is also where you can find the My Account page and the Logout button.

Engagement Page

Also referred to as the Request List page. This page is a dynamic request list integrated with a secure file portal.

01. Page Layout

- a. Engagement Controls
- b. Engagement Overview
- c. Multi-Select Tools and Filtering Options
- d. Request List
- e. Request Detail Pane

The screenshot displays the Suralink application interface for the 'Audit' section. The top navigation bar includes the 'suralink' logo and tabs for 'Clients' and 'Engagements'. Below this, the client header shows 'Client ABC' and 'Audit'. A toolbar contains icons for menu, notifications, and refresh. A horizontal tab bar shows various categories like General, Financial Reporting, Cash, etc. Below this is a search bar, filters, and a sort dropdown. The main area is divided into a 'Request List' on the left and a 'Request Detail Pane' on the right. The list shows 15 items, with '1 Inquiries' selected. The detail pane shows information for '1 Inquiries', including a description, date, and priority, along with sections for assignments, attached files, and activity.

Request ID	Description	Date
1	Inquiries Chairman of Board / Chairman of Audit Committee Inquiries	11/01/2025
2	CEO Initial Inquiries	11/01/2025
3	CFO Initial Inquiries	11/01/2025
4	Employee Schedule	11/01/2025
5	Legal Expenses	
6	BOD Minutes	
7	Officer & Director List	
8	Control Environment Questionnaire	
9	IT general controls process	
10	Consolidated balance sheet	
11	Consolidated statement of operations	
12	Consolidated statement of shareholders' equity	
13	Consolidated statement of cash flows	
14	Draft financial statements	
15	Account reconciliations for all accounts	

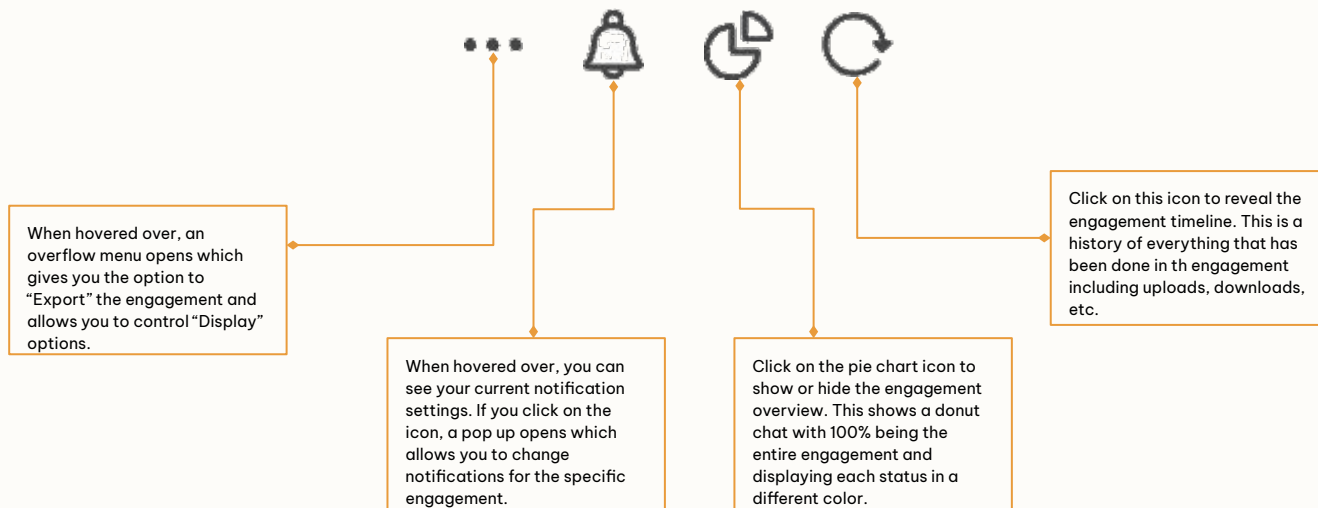

Request Detail Pane (1 Inquiries):

- Your attached files:** No client files attached yet
- Activity:** Comments (0) Full History (3)
- Leave a request-level comment here...** [Text area]

02. Engagement Controls

This menu contains different actions that impact the entire engagement. In this menu, both Client and Firm users have options to control display, notifications, and view the engagement timeline. Note that each icon houses multiple controls under each one.

The Engagement Overview provides a high-level summary of the status of all requests for a given engagement. Each component of the overview is an interactive tile, allowing you to navigate directly to the specific request for more detailed information. This view is designed to give you a quick, actionable understanding of the overall progress and current state of the engagement.

04. Multi-Select Tools and Filtering Options

Multi-Select Tools & Filtering Options enable you to take bulk actions on your requests, saving time and effort. Select multiple requests at once to easily change their status, download associated files, or assign them to a team member with a single click. Our advanced filtering options also let you quickly narrow your view to find exactly the requests you need to act on. Request statuses will be defined in page 10.

The screenshot displays the Suralink Audit interface. At the top, there's a navigation bar with the Suralink logo, 'Client ABC', 'Audit', and tabs for 'Clients' and 'Engagements'. Below this is a horizontal menu with categories: General, Financial Reporting, Cash, A/R & Sales, Inventory, Fixed Assets, Prepaids & Oth..., Accounts Payable & Other C..., and Long Ter. A red box highlights the 'Financial Reporting' section, which contains a search bar, a 'Filters' button with color-coded icons, and a 'Sort: Request Id' dropdown. The main table lists 16 requests, with the first four selected. The right sidebar shows details for the selected requests, including a 'Change request state' dropdown, a summary of '1 Inquiries', and sections for 'Add Assignments', 'Your attached files', and 'Activity'.

Request ID	Request Name	Due Date	Status
1	Inquiries Chairman of Board / Chairman of Audit Committee Inquiries	11/01/2025	P
2	CEO Initial Inquiries	11/01/2025

16	Consolidation worksheet		

05. Request List

Your Request List is the single source of truth for all pending requests and documents. This dynamic list shows you a clear overview of every item your firm needs, and it's fully integrated with our secure file portal. You can view, track, and upload documents directly from this page, making it simple to complete requests and stay on top of your submissions.

The screenshot displays the Suralink 'Request List' for Client ABC, categorized under 'Audit'. The interface includes a top navigation bar with the Suralink logo, 'Clients', and 'Engagements' (3). Below the client and category, there's a search bar and filters. The main table lists 16 items, with the first 10 grouped under 'Inquiries' and the last 6 under 'Financial Reporting'. The right sidebar shows details for the selected '1 Inquiries', including a 'Change request state' dropdown, 'Add Assignments', and an 'Activity' section with comments.

Item	Due Date	Priority
1 Inquiries Chairman of Board / Chairman of Audit Committee Inquiries	11/01/2025	High priority

06. Request Detail Pane

The Request Detail Pane gives you a complete view of any selected request. This is your command center for managing specific items—from accessing request details and associated files to communicating directly with your accounting firm via a dedicated comments section. This pane also provides a full history of the request, so you always know its status and who's taken action on it.

The screenshot displays the Suralink interface for a client named 'Client ABC' with an 'Audit' request. The top navigation bar includes the Suralink logo, 'Client ABC', 'Audit', and tabs for 'Clients' and 'Engagements'. Below the navigation bar is a horizontal menu with categories: General, Financial Reporting, Cash, A/R & Sales, Inventory, Fixed Assets, Prepaids & Oth..., Accounts Payable & Other C..., and Long Ter. A search bar and filters are present, with 'Sort: Request Id' selected. The main table lists 16 items, with '1 Inquiries' selected. The right-hand pane shows details for '1 Inquiries', including a 'Change request state' dropdown, a list of inquiries, a section for 'Add Assignments', a file upload area, and an 'Activity' section with 'Comments' and 'Full History' tabs. The 'Comments' tab is active, showing a text input field for a request-level comment.

Item	Date
1 Inquiries Chairman of Board / Chairman of Audit Committee Inquiries	11/01/2025
2 CEO Initial Inquiries	11/01/2025
3 CFO Initial Inquiries	11/01/2025

15 Account reconciliations for all accounts	
16 Consolidation worksheet	

07. Firm Files

Firm Files are documents your accounting firm provides to you directly within the platform. These aren't just for your records; they're essential tools designed to help you complete your requests efficiently. They may include templates for you to fill out, lists for you to reference, or other critical documents.

To access these files, simply look for the blue "**Firm provided (x) files**" link on a request. Clicking this link will allow you to instantly download the documents you need to get the job done.

The screenshot displays the Suralink platform interface for a client named 'ABC'. The 'Audit' section is active, showing a list of requests under the 'General' tab. A callout box highlights a link that says "Firm provided 1 file" next to a request item.

Request ID	Request Title	Due Date	Status
1	Inquiries	11/01/2025	P
2	CEO Initial Inquiries	11/01/2025	
3	CFO Initial Inquiries Firm provided 1 file	11/01/2025	
4	Employee Schedule	11/01/2025	
5	Legal Expenses		
6	BOO Minutes		
7	Officer & Director List		
8	Control Environment Questionnaire		
9	IT general controls process		
10	Consolidated balance sheet		
11	Consolidated statement of operations		
12	Consolidated statement of shareholders' equity		
13	Consolidated statement of cash flows		
14	Draft financial statements		
15	Account reconciliations for all accounts		

The right sidebar shows details for the selected request (1 Inquiries), including the request state, created by (CA Admin), due date (11/01/2025), and priority (High priority). It also includes a section for 'Your attached files' and an 'Activity' section with comments.

08. Client Files

Client Files are the documents you provide to your accounting firm for a specific request. This feature streamlines the submission process, ensuring all your documents are securely attached and easily accessible to your firm.

There are two simple ways to upload your files:

Drag and drop: Drag your files directly onto the request tile or into the Detail Pane.

Browse and upload: Click the upload area on either the request tile or in the Detail Pane to select files from your computer.

The screenshot displays the Suralink web application interface. At the top, there's a dark blue header with the 'suralink' logo and navigation tabs for 'Clients' and 'Engagements'. Below this, the main content area is titled 'Client ABC' and 'Audit'. A horizontal bar contains various request categories: General, Financial Reporting, Cash, A/R & Sales, Inventory, Fixed Assets, and Pre. The 'General' category is selected, showing a list of requests. The first request, '1 Inquiry', is highlighted. To the right of the list, a detail pane shows the request's status as '1 Inquiry' and 'High priority'. At the bottom of the detail pane, there's a section titled 'Your attached files' which includes a list of files. A red rectangular box highlights the area where users can 'Drop files here or browse for files'.

09. Comments and History

The Comments and History section provides a complete and transparent record of a request. You'll find a detailed history logging every action taken—from its creation to file uploads and status changes.

Once uploaded, your documents are permanently linked to that request for the duration of the engagement, giving your firm immediate access for testing and review.

The screenshot shows the Suralink interface for a client named ABC, specifically the 'Audit' section. A list of requests is displayed, with the first request selected. The 'Activity' tab is active, showing a timeline of actions. A callout box provides a detailed view of the first request, including its title, date, and a list of comments.

Request ID	Date	Activity
1	10/1/2025	Inquiries
2	10/1/2025	CEO Initial Inquiries
3	10/1/2025	CFO Initial Inquiries
4	10/1/2025	Employee Schedule

10. Request Status

NOTE: You, as a Client User, can only change the status of requests between “Outstanding” and “Fulfilled.” Users from your accounting firm can change requests to any status.

The color-coded request statuses give you a clear, at-a-glance view of a request's progress. As you upload documents, the status automatically updates from Outstanding (light blue) to Fulfilled (yellow) and is marked with an exclamation point, so you and your firm can track progress immediately.

After your firm reviews the documents, they'll update the status to Accepted (green) with a check mark, or Rejected (red) with an “x”, keeping you informed every step of the way. All status changes are viewable in the Detail Pane.

-  **Outstanding:** This is the default status; requests that are “Outstanding” (lightblue) require action from you.
-  **Fulfilled:** This is the status after you, the client, have provided the necessary documents.
-  **Accepted:** This is the status of a completed request that does not require any additional action.
-  **Rejected:** This is the status of a request that does not meet your accounting firm's requirements and needs additional action from you. Your accounting firm should provide an explanation of why the request was rejected in the Detail Pane.

Thanks for completing our tutorial! We wish you the best of luck as you begin using Suralink. We encourage you to explore the application and let us know if you have any questions. We also value your feedback on application features, or any other topics you feel are important. We're always looking for ways to enhance the Suralink platform to meet your needs.
